
Privacy Policy

This page informs you of Expert Assessment Solutions, Inc. policies regarding the collection, use, and disclosure of information we receive from Users of the Site. Any User information provided to this Site may be shared with the organization in which the User is employed, or the organization the User is providing services for. By using this Site you (the User) agree to the collection and use of information in accordance with this policy.

Collection and Use of Personal Information

Users may be asked to provide personal information during registration and in any given time when utilizing the Site. Personal information may include, but is not limited to, first and last name, e-mail address, and contact number. Personal information may be used to provide information, improve products and services, improve site content, and to identify and contact a single person. Users are not required to provide personal information that we requested, however, in the event a User chooses not to provide personal information, Expert Assessment Solutions, Inc. may be unable to provide services to the User.

Collection and Use of Non-Personal Information

Expert Assessment Solutions, Inc. may track User behavior including pages Users visit, reports Users utilize, uploads made by the User, and access date/time of the site and reports. Information about User's hardware and software may be automatically collected for the operation of the service, including IP address, browser type, domain names, and access times. We may collect, use, transfer, and disclose non-personal information for any purpose. Expert Assessment Solutions, Inc. may use non-personal information and share it with its affiliates.

Collection and Use of Information

Expert Assessment Solutions, Inc. may collect information through:

- Information provided by your employer
- Information provided during registration
- User utilization of the Site, including reports and services utilized, uploaded material, and access times.
- User communication with us, including requests for assistance, requests, and inquiries.

Expert Assessment Solutions, Inc. may use personal and non-personal information for auditing, data analysis, and service improvement purposes. Expert Assessment Solutions, Inc. may use personal and non-personal information for research to improve services provided and content of the Site.
